Suggestions

Plant nut trees for nuts and timber.

Bird Havens—Plant Russian Mulberry and Black Haw. Edible fruits and fine nesting places.

Mass for color in border or in woodland—Dogwood, Redbud, Russian Olive, Catalpa, Scarlet Maple, Birch.

Street Trees—Chinese Elm, Silver Maple, Sugar Maple, Sycamore.

Lombardy Poplar

Weeping Willow

Flowering Trees ~ Nut Trees ~ Shade Trees

This is a real bargain. We have offered this size for several seasons and each year it has proven more popular. You may get trees you have wanted at this low price and grow them soon into fine specimen plants. You can afford to mass them in your woodland or plant them for timber.

The little trees we offer in the following list are three-year-old seedlings and are two to three feet tall. They are large enough to transplant and will adapt themselves quickly to their new places. Last year our little trees made an exceptionally fine growth and we have some very nice little trees to ship out this spring.

Complete List of Baby Trees

Your choice of the following varieties in nice, well rooted trees, 2 to 3 feet high, and just any number of each that you want: 10 trees for \$1.35; 50 trees, \$5.50, prepaid. By express or freight, not prepaid, 100 trees for \$8.00.

White Dogwood
Redbud
Birch, White
Black Haw

Butternut
Hazelnut
Maple, Silver
Maple, Scarlet

Maple, Sugar
Magnolia
Mulberry, Russian
Russian Olive
Sweet Gum

Sassafras
Sycamore
Tulip Tree
Weeping Willow

DOGWOOD, WHITE. Small tree. Covered with large white flowers in May. Pretty foliage through summer and beautiful autumn colors. Very desirable either singly or in groups for lawns, border and woodland planting.

REDBUD. Large shrub or small tree. Pretty foliage and a mass of rich pink flowers in May when Dogwoods are in bloom. Beautiful and effective either alone or with Dogwood, Cherries or Crabs.

BIRCH, WHITE. The picturesque white-barked tree of the North. White bark on trunk and branches. Thrives best in damp locations and likes some shade. Ideal for lawn and unexcelled for woodland planting. Exceptionally fine with evergreens.

BLACK HAW. Boyhood memories usually recall the Black Haw. Grow 12 to 15 feet. Pretty glossy foliage turns beautiful colors in autumn. White blossoms followed by red berries that turn blue-black with frost. Sweet, good to eat and loved by the birds. Easy to grow.

CATALPA. Rapid growing with very large leaves. Large clusters of white flowers in July followed by long Indian cigars in autumn. Grows in very poor soil and makes a fine interesting tree.

CHINESE ELM. New introduction from North China. Grows in all locations, good soil or poor, and is one of the most rapid growing, satisfactory shade trees. Perfectly hardy and easy to transplant. We believe this tree will become one of the best shade trees in North America.

LOCUST, BLACK. Grows in any location. Very pretty foliage and fragrant white flowers in clusters like wisteria. It develops thorns and should be planted in background border or woodland. Quick growing and desirable.

POPLAR, LOMBARDY. Tall spire-like trees. Rapid growing and fine for background and screen effects. No other tree grows tall and slender like this variety.

MAPLE, SILVER. Rapid growing fine shade tree. Thrives in all locations. Good street tree and very popular.

MAPLE, SCARLET. Compact, round top tree. Nice for shade. Scarlet flowers in spring and leaves turn a beautiful fiery scarlet in autumn. Very desirable and pretty.

MAPLE, SUGAR. One of the finest shade trees. Compact, round top with beautiful foliage. Tall and stately. These trees produce the sweet sap from which is made maple syrup and sugar.

MAGNOLIA ACUMINATA. Compact top and a beautiful specimen. Long, light green leaves. Yellow flowers in late May. Pink fruit pods in late summer about four inches long. Very showy.

MULBERRY, RUSSIAN. Grows in any location. One of the best trees for wild birds. Its thick top furnishes ideal nesting places and its fruit, which ripens all through the summer, is loved by all song birds.

RUSSIAN OLIVE. Small tree with very pretty grey foliage. Twigs are also grey. Handsome and fine for color effect. Easy to grow. Flowers are golden and fragrant.

SWEET GUM. Beautiful dwarf tree. Pretty star-shaped leaves and brilliant autumn colors. Fine lawn tree. Grows in any soil.

SASSAFRAS. Very ornamental tree. Light green foliage with various shapes. Beautiful autumn color. Transplants readily in small sizes and thrives in any soil but prefers a warm position. Sassafras tea is made from the roots.

SYCAMORE. Large trees with light grey or creamy white bark. Very interesting, hardy and rapid growing. Large leaves. Fine for color effect in winter.

TULIP TREE. Rapid growing. Beautiful and interesting. Fiddle-shaped leaves, light green. Large yellow tulip flowers in spring. Fine shade and ornamental tree. Valuable for timber.

WEeping WILLOW. Graceful weeping tree. Vigorous grower and thrives on damp and dry soils alike. Makes beautiful lawn specimen; ideal near pools and waterside.

NUT TREES

BLACK WALNUT. Fine for timber and for the large edible nuts. Large meats of fine quality. Bears quite young and almost every year. Transplants easily in the small sizes and grows rapidly. Thrives in any soil.

BUTTERNUT. Small tree with round spreading top. Interesting foliage and bears large, long nuts of very rich quality. Bears young and every year. Thrives in any soil.

HAZELNUT. A large bush. Grows best on high ground and should be planted to make a thick growth. Bears clusters of thin-shelled nuts of fine quality. Hardy and easy to grow.

Suggestions

Beautiful Lawn Specimen—Dogwood, Magnolia, Tulip Tree, Birch, Sugar Maple, Sweet Gum.

To Prevent Washing of Soil—Catalpa, Locust, Sycamore.

For Timber—Walnut, Tulip Tree, Sycamore, Sugar Maple.

Create your own woodland or add to the beauty of one you already have.

White Dogwood

The finest varieties of trees listed below are grafted or huddled and have been carefully cared for in order to give them a good start. They are now ready to plant in your garden and will soon grow into mature trees of great beauty.

Each tree listed is a gem and you will be proud to have some of them on your grounds. These varieties are hardy and the flowers they will produce will be a source of satisfaction to you each year.

Each variety will make a fine lawn specimen and if planted in groups or masses the effect would be gorgeous.

Order some now while the supply is complete.

SCHEIDECKERI. Much earlier than others. Great profusion of showy pink flowers.

JAPANESE FLOWERING CHERRIES

Very popular and desirable. Covered with beautiful bloom in spring. Attractive glossy green leaves in summer. In fall these leaves turn a brilliant scarlet, making a blaze of color.

Fine trees, 3 to 4 ft. tall, \$1.00 each; 3 for \$2.85.

KWANZAN. Very double dark pink.

YOSHINO. Single white.

KOFUGEN. Double red.

PINK FLOWERING DOGWOOD

A fine companion to the white Dogwood. Large pink flowers in great profusion. Pretty foliage through summer. Brilliant autumn colors. Fine trees, 2 to 3 feet tall, \$1.00 each; 3 for \$2.85.

PAUL'S SCARLET THORN

Beautiful dwarf tree, blooming in late May with clusters of cerise-red flowers in great profusion. Hardy and very desirable, bloom very young. Fine trees, 3 to 4 feet tall, \$1.25 each; 3 for \$3.25.

FLOWERING PEACH

Beautiful dwarf trees that bear a great profusion of double flowers before the foliage appears. They come in white, pink and red. All are very pretty. Nice trees, 2 to 3 feet tall, 40c each; 3 for \$1.05.

PUSSY WILLOW

Well known for its silvery catkins that appear very early, often in February. We offer the French variety with large catkins. Easy to grow and you will like this plant. Strong trees, 3 to 4 ft., 35c each; 3 for \$1.00.

Please Note!

We do not prepay the shipping charges on trees and plants listed here. We will pack trees in fine manner so they can be safely shipped anywhere in the U. S., but the customer is to pay shipping charges. Late buyers will please send second choice in case we are out of the variety ordered.

WEeping WILLOW

Not a flowering tree but highly desirable for its showy drooping effect. We offer fine trees that have been grown by stakes to make straight bodies. 6 to 8 feet tall and will make fine effect. \$1.25 each; 3 for \$3.25.

FLOWERING PLUM

PRUNUS TRILOBA. Very dwarf tree that blossoms first year. A great profusion of double pink flowers. You will like this tree very much. Nice plants, 2 to 3 ft. tall, 50c each; 3 for \$1.35.

PRUNUS NEWPORT. Pink flowers before leaves appear. Bright red leaves and they remain red all summer. One of the finest red leaved trees and very desirable for color effect and contrast. Hardy and easy to grow. Nice trees, 3 to 4 ft. tall, 75c each; 3 for \$1.90.

LOMBARDY POPLAR. Tall, slender, spirelike trees. Dark green foliage and very useful to break the monotony of lower round-topped trees. 6 to 8 ft., 50c each; 3 for \$1.60.

NORWAY MAPLE. One of the finest shade trees. Round top and large glossy green foliage. Fine street tree. 6 to 8 ft., \$1.60; 3 for \$4.50.

CHINESE ELM. This fine new variety is rapidly becoming the most popular and desirable shade tree for street and lawn planting. Rapid growing, perfectly hardy and endures drought and city smoke better than any other tree. 6 to 8 ft., \$1.25 each; 3 for \$3.25.

Chinese Elm

THE HARMON NURSERY

PROSPECT, OHIO

Regal Lily

Hardy Lilies

Most Lilies will succeed in good soil. If soil needs enriching, use well-rotted cow manure. Never use fresh manure. Plant five to six inches deep. The varieties we offer are hardy and bloom over a long period. They give more blooms each year.

REGALE. Very hardy and easy to grow. Blooms in July with large, fragrant white Lilies, pink on outside and yellow throat. Grows anywhere. Large size bulbs. 20c each; 6 for \$1.00; 12 for \$1.65.

ELEGANS. One of the most beautiful hardy Lilies. Blooms in June and will grow in sun or shade. Best colors in shade. It resembles a giant azalea, compact growing and flowers of various shades of yellow, orange and red. We offer mixed bulbs that will bloom first year. 25c each; 5 for \$1.00.

SPECIOSUM RUBRUM. Japanese Lily. Hardy and easy to grow. Large pink flowers dotted with crimson. Fragrant and blooms in August and September. 35c each; 3 for \$1.00.

DOUBLE TIGER LILY. Hardy and vigorous. Blooms in late July and August on tall stems. Color rich orange-scarlet spotted crimson. Flowers double and very pretty. Will bloom first year. 25c each; 5 for \$1.00.

PHILIPPINENSE FORMOSANUM. This new Lily is a fine addition to the hardy family. Easy to grow and bears long trumpet-shaped flowers, white with reddish shade on outside. 25c each; 5 for \$1.00.

LEMON LILY OR HEMEROCALLIS. Very hardy and bears beautiful lemon-yellow Lilies in late May and June. We offer fine flowering size roots at 25c each; 6 for \$1.00.

One of each of six fine Lilies above, postpaid, \$1.25; each labeled. Three collections (18 bulbs), \$3.50, postpaid.

Elegans Lily

Pyrethrum

Delphinium

Columbine

ing or single specimens, growing 2 to 3 feet tall. They give an abundance of bright bloom from AUGUST UNTIL NOVEMBER and increase in size and beauty each year.

Queen Charlotte. Semi-double, daisy-like flower in pleasing shade of pink.
Rubra. Large brilliant red with yellow center.
Whirlwind. Large, double white, glistening and beautiful.

30c each; 3 for 75c; \$2.50 per doz., postpaid.

Hardy Perennials ~

Planted this fall will give a fine lot of bloom next season. The varieties we offer are hardy and will live from year to year. We grow them in large quantities and offer fine field-grown transplanted plants at 20c each; 3 for 45c; 6 for 75c; 12 for \$1.40, postpaid. (By ordering at the dozen rate please order at least three plants of a variety).

ACHILLEA, The Pearl. Pure white, long for cutting. Bloom all summer. Sun or shade.
ALYSSUM. Bright yellow, sprays. Colorful and showy in border and rock garden. Sun or shade.
BLUE DAISY. Bright blue with yellow centers. May and June. Very pretty. Like shade.
CANDYTUFT (Iberis). Grows flat on ground. Fine for rock garden. Pure white shading to lavender. Very showy.
CHEIRANTHUS (Siberian Wallflower). Brilliant orange all summer. Fine for rock gardens. Sun or shade.
COLUMBINE, Long Spurred Hybrids. Very showy in border. Shades of pink, white, red, blue and yellow.
COREOPSIS. Pure yellow. Fine for cutting. July to autumn.
DELPHINIUM. Tall; shades of blue and purple. Some double. Fine for cutting and showy in border. June and September.
HIBISCUS. Tall with very large flowers. Pink and red. Showy in background of border. July to autumn.

SHASTA DAISY. July, August. White, yellow center. Long stems and fine for cutting.
SWEET WILLIAM. Fine dwarf; shades of pink and red. Showy in border and rock garden.

Gaillardia

Gaillardia

Yellow with red center. Fine for cutting. Blooms all summer. Like plenty of sunshine. Price same as above.

Japanese Anemone

This year we offer fine, well established, potted plants of this wonderful perennial. Very valuable for mass-

Japanese Anemone

Hardy Pinks

Spicy fragrance. Shades of pink. Nice in rock garden and border. 12 inches tall. Sun or shade. Price same as above.

Hardy Pinks

Pink Cushion Chrysanthemum

Pink Cushion Chrysanthemum (Amelia)

Earliest blooming. This beauty is new and very delightful. Blooms from late August until November. A mass of beautiful deep pink flowers with soft yellow centers. Compact grower, hardy and easy to grow and will bloom first year planted. Fine for cutting. Fine plants. 30c each; 3 for 75c; 6 for \$1.25; 12 for \$2.00, postpaid.

Aladdin Chrysanthemum

BLOOMS FROM LATE JULY UNTIL NOVEMBER. Beautiful apricot and red blooms in great profusion. This wonderful plant surely helps the color display in the hardy border. Easy to grow and will bloom first year. Grows compact with pompon flowers. New and should be in every garden. 30c each; 3 for 75c; 6 for \$1.25; 12 for \$2.00, postpaid.

ORDER EARLY—Plants will be sent at proper time for planting.

Hardy Phlox

Fine New Hardy Early Flowering Chrysanthemums

These new varieties will brighten your garden through September and October. They will bloom this year with glorious new colors and combinations. They are hardy, too. Each plant will grow into a compact specimen about 18 inches tall with bloom across the top. You will want these new beauties for your 1936 garden.

Sunkist. Bright orange. Daisy-like flower in great profusion.
Ohio State. Beautiful yellow. New form and outstanding blooming qualities.

Flashlight. Bright red, daisy-like flower with bright yellow center. Outstanding.

Brilliance. Orange-red shading to yellow in center. Very full flower.
Lilac Caprice. Beautiful lilac shade with yellow center.

A. B. Barnham. Pink at base of petals shading to yellow at the tips. Very unusual and pretty.

Price: 35c each; 3 of one kind, 80c; 6 plants (one of each), \$1.65; 18 plants (3 of each), \$4.25, postpaid.

Collection of Fine New Hardy Pompon Chrysanthemums

This assortment of varieties has been chosen from a large list. They are hardy and bloom early, September to frost. Beautiful flowers in many colors. Will make the border beautiful all through the autumn months and are unexcelled for cutting purposes.

Our fine potted plants will bloom the first year and you will appreciate these rest fall.

NEW YORK. Beautiful bronze-gold pompon.

GOLD LODGE. Clear yellow.

GOLDEN WAVE. Darker yellow, almost orange.

SNOW WHITE. Pure white.

BRIGHT EYES. Very beautiful, light pink with apricot center.

ROSE CHOCHARD. Deep rose-pink.

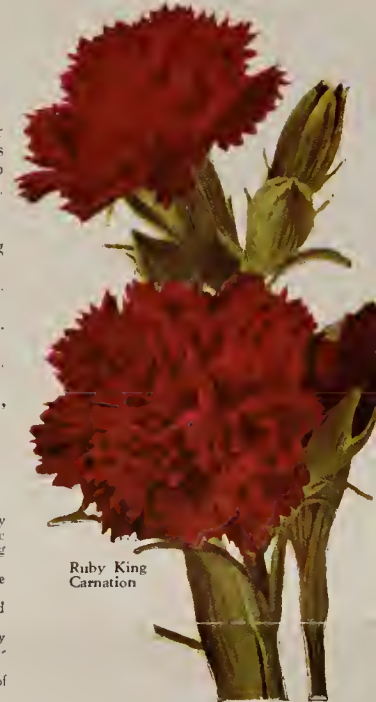

20c each; 3 for 50c; 6 for 90c; 12 for \$1.60, postpaid.

HILDE BERGEN. Bronze, apricot and gold.

SMITH'S EARLY WHITE. Very early and larger flowers than most pompons.

LILIAN DOTY. Beautiful shade of pink.

HARVARD. Fine crimson pompon.

Ruby King Carnation

Carnation, Ruby King

Blooms from June until late frosts. Beautiful, dazzling, ruby-red Carnations, easily grown in your own garden. Very fragrant and a fine flower for cutting. The large blooms come on stems twelve to eighteen inches long. Thrive in any good garden soil and our thrifty potted plants are sure to grow and bloom for you the first year. Perfectly hardy. 30c each; 3 for 75c; 6 for \$1.25; 12 for \$2.00, all postpaid.

Phlox, Columbia

Plant Patent No. 118

Gives new cameo-pink color with an exquisite light blue color in the eye. Similar to Elizabeth Campbell variety, but richer and longer blooming. Fine cut flower, very strong grower and apparently immune from any disease. 50c each; 3 for \$1.25; 12 for \$4.50, prepaid.

Phlox, Columbia

Aladdin Chrysanthemum

Hardy Phlox

Probably no other class of plants offer the colors and long blooming period of Hardy Phlox. Large trusses of brilliant flowers commencing in July and lasting until frost. Phlox is hardy and easy to grow. It thrives in a cool clay soil and likes plenty of plant food such as well-rotted cow manure or some high grade commercial fertilizer.

Our strong plants will bloom the first year.

Africa. Large florets; brilliant carmine.

Beacon. Tall growing; cherry-red.

Ethel Pritchard. Beautiful mauve-lavender. Bright.

Firebrand. Compact. Orange-scarlet.

Jules Sandeau. Brilliant shade of watermelon-red.

Miss Lingard. Early white with pink eye.

Mrs. Jenkins. Early pure white.

Thor. Very large flower heads of rose-pink.

20c each; 3 for 55c; 6 for \$1.00; 12 for \$1.80, prepaid.
